	Final Amount (Net Payable Total)		₹

TOTAL AMOUNT IN WORDS

This agreement is made on **Sep 5, 2026** between **Mr.** and **Livincart Company** for the Interior Design work of the Residential home in .

Para 1 – Introduction

The total contract value is **₹1,18,000 (One Lakh Eighteen Thousand Rupees Only)**, inclusive of all material, labour, transportation, loading and unloading, supervision, overhead, service, and miscellaneous charges. This is a fixed-price contract, and the Owner shall not be liable for any additional costs. Livincart shall complete the Project as per the approved quotation and material specifications shared via email.

Terms and Conditions

These Terms and Conditions is an understanding between Livincart and services private limited (hereinafter referred to as the “Company”) and its Customers. Livincart is a Company, which is engaged in the business of providing end-to-end home interior solutions for its Customers. Customer refers to an individual, organization or entity that purchases goods or services from Livincart.

Price and Payment Terms

1. The exact price of the Customer project will depend on measurements, scope of work and change in designs / material / finishes. Based on these revisions, Customers can expect the quote value to rise or drop by approximately 5-10%. However, in case of non standard product selection / customization / additional scope of work, the prices may substantially increase from the initial quote value.
2. Based on Customer's initial discussion with the Livincart representatives, Customer shall make an initial payment of 10% of quote value for booking the order with Livincart, subject to terms and conditions mentioned herein, if applicable. Quotations released before First Installment payment shall be valid for fifteen (15) Days and quotations released after First Installment payment shall be valid for a period of six (6) months.
3. The total quote value of the project may have both woodwork and non-woodwork (civil work, Custom carpentry, Appliances, HDS - Home Decor Services etc.) and the payment towards the same shall be as per the clause below.
4. The Price structure shall have the following Installments, as per the applicable scenario:

Scenario - In case of all orders booked 29th October, 2025 onwards

a. Stage 1: Token Advance Payment paid at the time of clicking 'Start Project' to register client, allocate design team, and initiate site kick-off.

b. Stage 2: 10% Booking Advance of total quote value paid for site survey, 2D/3D design drafting, material selection, and final BOQ freeze.

c. Stage 3: 35% Production Advance (reaching 50% cumulative payment) paid for raw material sourcing (carcass & shutter boards), factory cutting/edge-banding, and site civil, electrical & plumbing prep.

d. Stage 4: 45% Dispatch & Installation Advance (reaching 95% cumulative payment) paid upon factory quality inspection for material dispatch to site, unloading, and modular assembly.

e. Stage 5: Final 5% Handover Payment (reaching 100% payment) paid after snag list rectification, deep cleaning, quality audit, keys handover, and warranty certificate issuance.

> **Note: A non-refundable Convenience fee of 2% (including GST) on payment amount may be levied on certain modes of payment including Credit card /Debit card/Net Banking/Wallet/Etc.**

5. The name used for order booking should be in line with the KYC of the customer. No name change or GST number inclusion is possible once order is booked. Disclosing complete names at the time of order booking will help for all legal communications, availing finance options, GST Invoice in case of registered person and processing refund if in case of cancellation as specified in this terms and conditions.
6. For Cancellation an order with Livincart before second payment, Customer quote value should include a minimum of INR 1,50,000 of "Quote". In case of the quote value having woodwork less than INR 1,50,000, the same shall not be accepted.
7. The initial quote value provided by Livincart at the time of order booking for services like, plumbing, gas-piping or electrical work would be an estimate. The exact value of the quote will depend on the site conditions.
8. The fourth/ final installment payment has to be completed before the Handover. Livincart shall not provide handover, unless the Final Installment is received and approved by Livincart.

9. Between First Installment and Third Installment payment stage of Customer order brand partnered categories such as appliances, lights and loose furniture etc. are subject to price fluctuation and may not be available due to stock issues from the manufacturer's end. In such cases, the Customer will have an option to choose the other available products.
10. We have categorised the work of Livincart as interior solutions and has been considered as "Works Contract Services of Interior Solutions" (SAC 995476). Place of supply will be considered based on the state where the installation is to be carried out irrespective of bill to state. GST will be collected on each advance payment and GST invoices are raised upon completion of the project.
11. If a customer wishes to make payments in cash, Livincart can accept cash up to Rs.199,999/- between all the stages of the respective project.
    a. Maximum amount of cash that Livincart accepts without PAN is Rs.49,999/-
    b. Maximum amount of cash that Livincart accepts with PAN is Rs.1,99,999/- and note that, PAN should belong to the customer ONLY and it is mandatory to obtain copy of the PAN from a customer and to be shared with Finance team to approve payments.
    c. Orders can not be split to accommodate additional cash from a customer.
12. If the fourth/final Installment (i.e. the final 5% of the total quote value) is not paid by the Customer within the time stipulated (1week) in the "Handover scheduled" email sent to the Customer, then the Customer shall be liable to pay a demurrage charge of INR 500 per day, from the second day that the quality check becomes completed such time that the same is paid in full.
13. The final quote value shall be valid for a period of Six (6) months. In case of extension of the quote validity beyond 6 months, then the prices shall vary, as per the then existing pricing.
14. All payments made by the Customer throughout their engagement with Livincart should be approved by Livincart via email communication, and only on such approval, the payment shall be deemed effective.

Installation Checks

1. When civil work is done at site (including false ceiling, electrical, plumbing, gas piping, wall demolition, wall partition, etc.), hand marks and scratches are bound to occur and cannot be avoided. It's recommended to have a final coat of paint after completion of all interiors.

Delivery and Installation

1. The delivery and installation of Customer's Order shall be on or before the delivery date prescribed in the Quotation, and at the address given by the Customer.
2. Delivery Date will be calculated from the date of completion of the following requirements ("All-Set-Go"):

a. Both Parties, Customer and Livincart, signing off on the designs and specifications for the home interiors;

b. Customer making all payments, strictly in accordance with the specified payment milestones. The Delivery Guarantee will commence from the date of approval of payment, which shall be confirmed via email by Livincart; and

c. Customer handing over the Site to Livincart in a condition that meets the requirements of Customer's Site Readiness Checklist as per the Works Contract.

Note: Back panel shall be Livincart Aquashield-MDF for all carcasses in any core material other than BWP (Boiling water proof) Ply. For all carcass with BWP (Boiling water proof) Ply as core material; the back panel (wherever applicable) is to be Ply.

Delivery Guarantee

Customers may be entitled to the benefit of Livincart's Delivery Guarantee, depending on the Scope of work, and subject to achieving All-Set-Go. Customers may either be provided with a (i) 45 days' delivery Guarantee; or (ii) (45 + 10) days delivery Guarantee, or (iii) Estimated Timeline Commitment, subject to the Categories mentioned below. Under point (i) and (ii) above, the Customer will be eligible to get compensation in case of a breach, as per the terms and conditions hereunder. Under the point (iii) above, the Delivery Date provided is an estimate. There is no compensation available and Livincart shall not be in breach, if the same is not adhered to.

3. If it is covered under warranty as per Livincart representative's information, Livincart shall either arrange for repair or replace the defective Product.
4. In case of replacement: Livincart shall provide a similar Product that is as close as possible in dimension, function and colour to the defective product. Livincart does not guarantee that the replacement product will be exactly the same as the Covered defective Product. A replacement Product will not be covered by any further warranties. i.e. no fresh warranty shall be applicable on a replaced product, which shall be covered under the original warranty term.

Service and Maintenance

1. For the first 12 months from the date of Handover, One (1) free service shall be provided to the Customers to address routine maintenance issues in respect of moving parts (hinges, channels etc.), such as alignment, parts becoming loose, etc. Note: Complimentary visits cannot roll over beyond the 12 month period.
2. To avail the free service, Customer should schedule a visit by contacting Livincart's customer care number +91 7702312351 or raise your request through contact@livincart.com. If the free service is not availed by Customer within the aforesaid period of 12 months, Livincart's obligation to provide such free service shall lapse.
3. After the period of 12 months from the date of handover, in case of maintenance requirement, Customers can seek paid maintenance services, by contacting Livincart's customer care and scheduling a service visit. Such visits shall be chargeable at Livincart's prevailing service visit rates. Livincart's current service visit fee is a sum of Rs. 699 per visit.
4. Any repairs or replacements advised during a service visit (whether free or paid-for), or any maintenance that may be sought by Customer, which is not covered under the Warranty terms, shall be done at additional charges. Livincart will provide Customer an estimate of such additional charges after inspection and assessment during the service visit.

Livincart Care and Support

1. For any concerns regarding their project, Customers can raise a request through contact@livincart.com or Call Us at +91 7702312351.
2. Livincart shall provide One service visit to the site, free-of-cost, within 12 months from the date of handover, for routine checks which cover moving parts like hinges, channels, etc. The Care team will contact the Customer to schedule the visit. The free service addresses issues like minor alignment, loose parts, etc. It also covers general alignment check of all shutters, lofts, the functioning of drawers and all accessories, and any additional concealment of wiring for the TV unit.
3. Since some products are designed to have a lot of moving parts, Livincart's products may require occasional re-alignment and servicing. If there are any service and maintenance requests after the free services, they will be taken up on a chargeable basis. Livincart's current service visit fee is a sum of Rs. 699 per visit. This visit includes re-alignment of all products, but without any replacements. This request will have to be raised by the customer through contact@livincart.com.
4. If the work includes re-alignment of units and/or replacement of items not covered under warranty (due to physical damage, continuous water leakage, rusting, etc), the cost of replacement will be over and above Rs. 499, and a bill for the same will be provided after the visit.
5. Customer is directed to keep all their communications in writing with our representative on their official email and keep the necessary POC designated by the company in loop, if applicable. In case of any assistance during your project, and before handover, customer may reach out to the Support Team at support@Livincart.com. In case of any escalation post handover of the project and any issues regarding warranty, customer may reach out to the Care Team at support@livincart.com.

Cleaning Services

Post installation, the following set of services will be done at the site:

1. Dusting, sweeping and mopping of all areas.
2. Cleaning of doors of the cabinets to remove pencil marks and dust.

The Custom Quotation Offerings – Terms and Conditions ("Custom Quotation T&Cs") shall be applicable on the Custom Quotation provided by Livincart to the Customer, if any, wherein Livincart shall get the Custom work done through their Vendors. These Vendors through their expertise and experience, handle the necessary work involved in customs work of the Customer. The responsibility for the completion and quality of custom work lies solely with the Vendors, except as specified in these Terms & Conditions.

1. Vendor/s - refers to individuals, organizations or Companies that are associated with Livincart for providing the Services related to Custom Work.
2. Custom Work: Any/all custom work in the Quotation shall be differentiated from Livincart's standard offerings, by using the terminology "Custom" prior to the description of such product/service.
3. Data Protection and Customer Consent: This Consent pertains to the sharing of Customers information with Vendors engaged by Livincart for the purpose of providing Custom Work.
4. Designs - The designs for the Custom Scope of Work shall be provided by Livincart, in discussion with the Customer. However, there can be no changes/revisions to the designs finalized, post the payment of Second Installment by the Customer.
5. Non-Solicitation - Customer shall not approach any Vendors undertaking the Custom Scope of Work, directly or indirectly, without the explicit written consent of Livincart.
6. In case of any issues, concerns or dispute before handover, the Customer should reach out to the Livincart project manager.
7. Customer shall not indulge in any unethical/illegal practices including but not limited to bribery, or any direct payment to the Vendor or its representative(s) either in cash or kind.
8. No-Delivery Guarantee: In case of there being any Custom Work in the overall scope of project, such project shall automatically be categorized under Estimated Timeline Commitment.
9. Warranty: Livincart shall provide 1 year warranty on the Custom Scope of Work from the date of handover.

10. Variation in price in Custom Work: The exact cost of the project under the Custom Scope of Work shall be dependent upon the measurements, change in design, material, finishes etc. Based on such revisions, the cost of Custom Work may increase or decrease by approximately 10 to 20%.
11. Relationship between Livincart and the Vendor: Livincart shall act as a facilitator between the Vendor and the Customer. Livincart is not liable for any product or service(s) to be rendered by the Vendor.
12. Disclaiming of Liability: Livincart shall not be liable in any manner for any products or services provided by Vendors, contractors, or agencies who are referred to the Customer but are not formally registered as approved Vendors with Livincart.
13. These Custom Quotation T&Cs are governed by the laws of India. Any dispute shall be governed exclusively by the courts of Visakhapatnam only.
14. In case of conflict between the Customer Quotation T&Cs and other Terms and Conditions including Works Contract, the provisions under the Works Contract shall prevail.
15. In the event of any misuse or abuse of the process by the Customer and/or Vendor, Livincart reserves the right to deny or cancel the project without any liability.
16. Livincart shall not be liable for any loss or damage resulting from material breach of any terms and condition(s) by the Customer, including negligence.
17. Livincart shall not be liable for any indirect, punitive, special, incidental or consequential damages arising out or in connection with the Custom Work.
18. Livincart shall not be liable for loss or damage arising due to Force Majeure event.
19. In any event, the entire liability of Livincart under Custom Work shall not exceed the amount of price paid to Livincart for such Custom Scope of Work, at the time of dispute.
20. Livincart reserves the right to alter, modify or withdraw the Custom Work and underlined T&Cs anytime without any liability.

LIVINCART PROJECT HANDOVER AGREEMENT

INTERIOR PROJECT HANDOVER AGREEMENT

1. Parties

This Interior Project Handover Agreement ("Agreement") is entered into between **LivinCart and Services Private Limited** (hereinafter referred to as the **"Company"**), and the Client identified in the approved Works Contract, Quotation, or Purchase Order (hereinafter referred to as the **"Client"**).

The Parties acknowledge and agree that the Company has substantially completed the interior works, supplied and installed the Products and Services forming part of the approved scope of work, and is formally handing over the completed Project to the Client in accordance with the terms of the Works Contract, approved Project Documents, and this Agreement. The Client agrees to accept possession of the completed Project, subject to any pending rectification items specifically recorded in this Agreement.

This Agreement shall serve as conclusive evidence of the formal handover of the completed Project and shall govern the respective rights and obligations of the Parties arising after the date of handover.

2. Project Details

Project ID: PR_2026_145/01 **Customer:** Mr.

Address: _____

Contract Value: ₹1,18,000 **Handover Date:** Sep 5, 2026

3. Scope of Handover

The Company confirms that the approved scope of work has been substantially completed in accordance with the Works Contract, approved Quotation, BOQ, drawings, specifications, and approved Change Orders.

The handover includes, as applicable, furniture, modular units, wardrobes, kitchen units, civil works, electrical works, plumbing works, false ceiling, painting, flooring, lighting, glass works, hardware, curtains, blinds, appliances, accessories, and all other Products and Services specifically included in the approved scope.

The Client acknowledges that the handover is limited to the items expressly included in the approved Project Documents. Any additional work, material, or service not specifically approved in writing shall be deemed excluded from the Company's obligations.

The Parties acknowledge that minor variations in colour, texture, grain, finish, dimensions, or alignment that are consistent with industry standards and do not affect the functionality or quality of the Project shall not constitute defects. Any pending minor rectification items, if any, shall be recorded separately and completed within the mutually agreed timeline.

4. Inspection, Testing and Acceptance of the project

The Client acknowledges that, prior to the execution of this Agreement, the Company has provided reasonable opportunity for a comprehensive joint inspection of the completed Project. Such inspection includes, but is not limited to, verification of dimensions, alignment, workmanship, finishes, colour shades, functionality of shutters, drawers, hinges, channels, locks, handles, lighting fixtures, electrical accessories, plumbing fixtures, hardware fittings, appliances (where supplied), and all other Products and Services forming part of the approved scope of work.

The Client confirms that the Project has been inspected to their reasonable satisfaction and that any observations, deficiencies, or incomplete items identified during such inspection have been documented in writing in the Punch List annexed to this Agreement.

The Client further acknowledges that minor aesthetic variations, natural characteristics of wood, veneer, stone, laminate, fabric, leather, glass, metal, paint texture, colour shade, grain pattern, or other natural materials shall not constitute manufacturing defects or grounds for rejection of the Project.

Except for the items expressly recorded in writing, the Client accepts that the Project has been completed substantially in accordance with the approved drawings, Bill of Quantities (BOQ), specifications, material schedule, and approved change orders.

5. Handover of Possession

Upon execution of this Agreement, the Company hereby hands over peaceful physical possession of the completed Project to the Client. The Client acknowledges receipt of the completed interior works and confirms that unrestricted access to the premises has been restored.

From the date of handover, the Client shall assume responsibility for the care, security, operation, cleaning, maintenance, and preservation of all installed Products and completed works.

The Company shall not be responsible for any damage, deterioration, theft, vandalism, accidental impact, misuse, negligence, water seepage, plumbing leakage, electrical faults originating from third-party installations, pest infestation, structural movement of the building, or any other event occurring after handover except to the extent covered under the applicable warranty.

6. Warranty

The warranty for the Products and Services covered under the Project shall commence from the date of execution of this Handover Agreement, unless otherwise specified in the applicable Warranty Certificate. The warranty shall be governed by the terms of the Works Contract, Warranty Policy, and the manufacturer's warranty, where applicable.

The warranty covers manufacturing defects and workmanship deficiencies arising under normal use and maintenance, subject to the terms, conditions, exclusions, and limitations specified in the Warranty Policy. The warranty shall not apply to normal wear and tear, misuse, negligence, accidental damage, unauthorized modifications or repairs, improper maintenance, water seepage, electrical faults, pest infestation, force majeure events, or any damage caused by factors beyond the Company's reasonable control.

7. Transfer of Possession

Upon execution of this Handover Agreement, the Company shall be deemed to have delivered, and the Client shall be deemed to have accepted, peaceful physical possession of the completed Project and all Products and Services forming part of the approved scope of work.

From the date of handover, the risk of loss, damage, theft, misuse, deterioration, or destruction of the completed Project shall pass to the Client, who shall thereafter be solely responsible for its care, operation, maintenance, and security. The Company shall not be liable for any damage or loss occurring after handover, except to the extent covered under the applicable warranty.

Notwithstanding the transfer of possession and risk, legal ownership and title to the Products supplied by the Company shall remain vested in the Company until all amounts payable under the Works Contract, including the contract value, applicable taxes, approved variations, and any other outstanding dues, have been paid in full by the Client. Upon receipt of full and final payment, ownership of the Products shall automatically transfer to the Client without the need for any further documentation or action by either Party.

8. Customer Responsibilities

Upon handover, the Client shall be responsible for the proper use, care, operation, and maintenance of all Products and completed works in accordance with the Company's Product Care Guide, Warranty Policy, and any maintenance instructions provided. The Client shall take reasonable precautions to protect the Products from misuse, negligence, accidental damage, water seepage, moisture, pest infestation, unauthorized alterations, or any other condition that may adversely affect their performance or durability.

The Client shall promptly notify the Company in writing of any defect or issue covered under the applicable warranty and shall provide the Company with reasonable access to inspect and rectify such defects. Failure to maintain the Products in accordance with the prescribed care instructions or any unauthorized repair, modification, or relocation of the Products may result in the warranty being limited or void to the extent permitted under the applicable warranty terms.

9. Company Responsibilities

The Company shall, subject to the terms of the Works Contract and Warranty Policy, attend to valid warranty claims and complete any agreed punch-list or rectification items within a reasonable timeframe, subject to site access and material availability.

The Company shall use reasonable efforts to repair or replace defective Products or rectify workmanship defects covered under the applicable warranty. The Company shall not be liable for defects or damage arising from normal wear and tear, misuse, negligence, unauthorized modifications, improper maintenance, or any cause beyond its reasonable control. The Client shall provide reasonable access to the Project premises to enable inspection and completion of the required rectification works.

10. Governing Law and Jurisdiction

This Agreement shall be governed by and construed in accordance with the laws of India. Any dispute, claim, or difference arising out of or relating to this Agreement, its interpretation, performance, breach, or termination shall, in the first instance, be resolved amicably through mutual discussions between the Parties.

If the Parties are unable to resolve the dispute amicably within a reasonable period, such dispute shall be subject to the exclusive jurisdiction of the competent courts at **Visakhapatnam, Andhra Pradesh**, without prejudice to any dispute resolution mechanism provided under the Works Contract or applicable law.

Customer Declaration

I hereby acknowledge that I have jointly inspected the completed Project and confirm that the Products and Services have been handed over to my satisfaction, subject to any observations or pending rectification items specifically recorded in this Agreement. I further acknowledge receipt of possession of the completed interior works, warranty documents, user manuals, keys (where applicable), invoices, and other relevant project documents.

I confirm that I have been informed of the applicable warranty terms, product care and maintenance guidelines, and my responsibilities after handover. I agree to comply with the terms of the Works Contract, Warranty Policy, and this Handover Agreement, and acknowledge that the Project has been formally handed over to me on the date of execution of this Agreement.
