# Project Quotation & Scope of Work

React.js Web Application Development & Hostinger Setup

| PROJECT TYPE | HOSTING PLATFORM | TOTAL INVESTMENT |
|---|---|---|
| **Custom React.js Web App** | **Hostinger (1 Year Included)** | **₹13,000 INR** |

## 1. Investment & Cost Breakdown

| Service Phase | Description of Work | Amount (INR) |
|---|---|---|
| **Hosting & Domain Setup** | 1-Year Hostinger Web Hosting plan, custom domain linking, and free SSL certificate configuration. | **₹3,000** |
| **UI/UX Layout Design** | Mobile-responsive UI layout design, navigation structure, and component styling. | **₹2,500** |
| **React.js Development** | Custom frontend development, component modularity, and clean state management. | **₹5,000** |
| **Testing & Deployment** | Cross-browser quality checks, performance tuning, and live launch on Hostinger. | **₹1,500** |
| **Post-Launch Support** | 1 Month of dedicated post-deployment assistance, minor adjustments, and bug fixes. | **₹1,000** |
| **TOTAL PROJECT QUOTE** | | **₹13,000** |

## 2. Key Deliverables

- **Modern React.js Website:** Fast, lightweight, and fully responsive across mobile, tablet, and desktop screens.
- **Hostinger Server Integration:** Secure hosting server setup with SSL certificate and custom domain connection.
- **Interactive Contact Form:** Fully operational inquiry/lead form linked directly to your business email.
- **Complete Source Code:** Clean, organized code handover via GitHub or a structured archive.

## 3. Payment Milestone Schedule

| Milestone | Trigger Condition / Deliverable | Amount (INR) |
|---|---|---|
| **Phase 1: Advance (30%)** | Project kickoff, requirements alignment, and Hostinger hosting/domain setup. | **₹3,900** |
| **Phase 2: Mid-Project (40%)** | Completion of core React UI interface for client review and feedback. | **₹5,200** |
| **Phase 3: Final Launch (30%)** | Final website deployment to live Hostinger server and complete source code handover. | **₹3,900** |

**Note to Client:** Hosting charges include 1 full year of active server uptime and security features through Hostinger. Additional custom features or page additions beyond this scope can be discussed and quoted separately if required.
